Mission: The Taylor County, WI Humane Society is dedicated to educating our community on responsible pet ownership, on the importance of spay/neuter, and on providing loving and caring homes for all animals

Organization Goals

- *To bring together individuals who care for and about animals*
 - *To develop plans for the welfare of all animals*
- *To take appropriate action in cases of actual or suspected cruelty to animals*
 - *To promote the spaying and neutering of domestic animals*
- *To demonstrate the harmful effects animal overpopulation has on the health and welfare of our community*
 - *To establish a viable animal shelter for Taylor County*
