CDBG & HOME PROGRAM

Home owners & home buyers:

This is a 0% interest loan to help rehab your home or to help with half of a down payment to help purchase a home. To qualify you not only need to be income qualified, but you must be able to get the main loan through a local financial institution.

REPAYMENT POLICIES:

These loans are, as stated above a 0% interest loan, once you have the loan it does not have to be paid back until you no longer use the home as your primary residence, sell it,

OR

you borrow money (a mortgage on your property) from a financial institute for consolidation of consumer debt, such as credit cards, automobiles or other cash to homeowner'' transactions, or for any home equity loans other than for the sole purpose of rehabilitating one's primary residence. OR you default on your loan with us by not paying your property taxes, house payments at your bank or do not carry home owners insurance. At this point your loan would be due in full.

Landlords, for rental rehab (CDBG LOAN ONLY):

The program works the same except,

1. you would be charged a very low interest rate on your loan
2. you would make monthly payments to repay the loan
3. you must rent to low to moderate families and the rent must be in the price range that HUD has at the time. (not to worry HUD is in range with our rental units in Taylor County).

Refinancing/Subordination

Subordinating to a loan means that Taylor County/Taylor County Housing Authority (Grantee) would allow a financial institution to hold their position on the mortgage.

The Grantee may elect to subordinate its CDBG mortgage to another lender under the following conditions:

- a. The funds resulting from the subordination will be used to:
 1. Refinance an existing mortgage to obtain a reduced interest rate.
 2. Refinance an existing mortgage to obtain a comparable interest rate and extended payment terms.
 3. Obtain a home equity loan for the sole purpose of rehabilitating their primary residence.
 4. Refinance an existing mortgage as necessary to halt foreclosure proceedings by a bank or to halt tax deed proceedings by the county.

- b. Taylor County Housing Authority will **not** consider requests to subordinate for consolidation of consumer debt, such as credit cards, automobiles or other “cash to homeowner” transactions, or for any home equity loans other than for the sole purpose of rehabilitating one’s primary residence. A subordination will not be awarded if it places the Grantee’s security interest in jeopardy, as determined by standard underwriting practice, unless required to halt foreclosure or tax deed proceedings.

- c. Homeowners who anticipate refinancing an existing loan and request that the Grantee subordinate its mortgage position, must submit in writing the following information:
 - 1) The reason for the subordination request.
 - 2) The name, address, and contact person(s) at the cooperating financial institution.
 - 3) The new mortgage amount that would take precedence over the Grantee’s mortgage.
 - 4) Copies of estimates for any rehab/construction work being completed.

- d. Written requests for subordination agreements must be approved by the Taylor County Housing Authority. The subordination agreement must be drafted at the homeowner’s expense by the cooperating financial institution or legal counsel.

I hereby have read, understand, and agree to the above. I have received a copy of this page.
