

# Addendum to Employment Application

CFR 49 Part 40.25 (5)(J)

As a prospective employer, we must ask any applicant for a driving position with our county whether he/she has tested positive, or refused to test, on any pre-employment drug or alcohol test administered by an employer to which the applicant applied for, but did not obtain, "safety-sensitive transportation work" (driving a commercial motor vehicle) during the past two years.

*Please check only one Box.*

**Yes**, I have tested positive for drugs/alcohol, or refused to take a pre-employment drug/alcohol test in the two years preceding the date of this application.

**No**, I have not tested positive for drugs/alcohol, or refused to take a pre-employment drug/alcohol test in the two years preceding the date of this application.

DOT regulations prohibit our utilizing you to perform a "safety-sensitive function" (driving a commercial motor vehicle) if you had a positive test or a refusal to test, until and unless you provide documents showing successful completion of the return-to-duty process in accordance with DOT regulations.

This certifies that I completed this addendum to the employment application, and that all information therein is true and complete to the best of my knowledge. I also understand that misrepresentation or omission of information of facts may result in my rejection or dismissal.
